RE; Up-Date Purple Heart Memorial.

Dear Fellow Patriots.

First I would like to thank the National Service Officer, Dr. Dom DiGiovanni, for the assistance I have been receiving from his office. A thank you also goes to our State Commander Col. Al Rodriguez for his help.

There are currently 37 new Brick orders being sent to the engraver. These include Iraqi K.I.A.'s, Iraqi "Non Combat Deaths", and orders from chapters.

There has been an up date in our Brick Order Form. It was necessary to raise the cost of the one and two line bricks. The \$80.00 cost for the three lines remains the same. This is really not much of a change because most of the brick orders are in the \$80.00 area. Of the 37 bricks mentioned above there are NO one line orders, and only four are two line orders. The remaining 33 bricks all are for three lines or \$80.00.

It occurred to me that many people, even those who live in Maricopa County, do not know where Wesley Bolin Memorial Park is located. Two lines were added to the bottom of the form stating the location. In addition to this a map was printed on the back of the form showing the location of all of the Memorials, and especially the Purple Heart Memorial.

To order a brick it is not necessary to use our printed form. A photo copy of the face can be used, or even a blank sheet of paper, as long as it contains all of the information that is requested on the form.

We will accept brick orders at the "OLD PRICE" up to and including a post mark of July 15, 2005. From then on the new cost for one and two line bricks will be required.

As soon as the current order of 37 bricks are completed by the engraver, I will get them and install them at the Memorial. Then I will send you an up date as to the location of these bricks.

Respectfully submitted,

Nicholas G. Gervase
